

THOUSANDS OF PRODUCTS. LOTS OF SUPPLIERS. ONE ONLINE STORE.

Chamfr is the #1 online resource connecting R&D engineers and supply chain teams with suppliers committed to providing solutions that help speed innovation.

Whether you need to order in-stock components, equipment & tools; request quotes for custom components; or search for service providers in our supplier directory, you can find everything you need at Chamfr.com.

Walk the MDM West 2024: Guide for R&D Engineers

Stop by Chamfr's booth back in 1963 to learn how you can **receive a \$100 gift card** and to learn about the network of suppliers on chamfr.com.

We've created this guide so you can also visit these suppliers directly to learn more about the products and services they're offering to help you innovate faster.
